Transmission: Manual/automatic gearbox (internal components), clutch (excluding friction material), torque converter, CV joints

Drivetrain: Driveshafts, differential, prop shaft, bearings

Cooling System: Radiator, thermostat, water pump

Fuel System: Fuel pump, injectors, fuel pressure regulator (excluding contamination)

Electrical System: Starter motor, alternator, ignition coil/ECU

Suspension & Steering: Coil springs, dampers/shock absorbers, power steering pump, rack and pinion

Braking System: Brake master cylinder, brake servo, ABS pump/module

EXCLUSIONS (NOT COVERED)

The following are not covered under this warranty:

- Routine maintenance and consumables (oil, filters, wipers, bulbs, tyres, brake pads/discs)
- Cosmetic items (paintwork, interior trim, seats, carpets, body panels)
- Batteries and exhaust systems
- Damage caused by overheating, misuse, unauthorised modifications, or continued use after fault
- Diagnostic costs, recovery, or transport (unless previously agreed)

WARRANTY CONDITIONS

To remain valid, the warranty is subject to the following:

1. The vehicle must be serviced as per manufacturer intervals.
2. The buyer must report any fault within 48 hours of it occurring.
3. All repairs must be carried out by Automad Ltd or by a pre-approved garage.
4. No reimbursement for unauthorised repairs.
5. Proof of purchase and warranty must be presented when making a claim.
